Entries close on Sunday 5 March for both events

Classes and Technical Rules

The following WMCR classes will be run during the event...

Class V	(10 cc)
Class IV	(5 cc)
Class III	(3.5 cc)
Class II	(2.5 cc)
Class I	(1.5 cc)

Due to subtle differences between current WMCR and FEMA rules, cars entered will need to comply with *either* the WMCR Technical Regulations (Revised May 2001) *or* FEMA Technical Regulations 2018 (Rev. 02, 2019-04-28).

Local classes will also be run at the discretion of the race committee, including:

Australian Built	(Wholly Australian made, except bearings and ignition)
10 cc C Grade	(Unpipied, open-wheel, side exhaust, no driving wheel suspension)
10 cc D Grade	(Unpipied, open wheel, side exhaust, 'old timer')
5 cc B Grade	(Unpipied)
3.5 cc M Class	(Unpipied, open wheel, spur drive, no suspension)

A nominated speed event will also be included for local classes

These classes will be run in accordance with the TRCAA Constitution and By-Laws June 2015.

2023 Brisbane and Sydney International
Information Pack and Entry Form

We are looking forward to seeing many participants from around the world competing on these great tracks... A super opportunity to post a good speed early in the season!

Kind regards,

A handwritten signature in black ink, appearing to read 'S. Clydesdale', is written over a solid black horizontal line.
